8th October 2018

Dear Parents

We are very excited to be holding 'Celebrate our culture week' from 15th October to 19th October.

The children will be participating in a variety of activities throughout the week to appreciate the contribution of different cultures, values and beliefs to their lives.

We are very lucky that children at our school come from many cultures and speak many languages. Therefore, we would really appreciate if you could come in and share some information about your culture with our pupils.

If you can, please fill in the form attached and return back to your child's class teacher by Friday 12th October.

On Monday 15th October, we would like the children to wear something which reflects their culture or they can bring an accessory to school.

In addition, we will be holding an International food afternoon on Wednesday 17th October. We would welcome donations of traditional dishes (sweet or savoury) from different countries. From 3.30 to 4pm we will open the hall to parents and children if they wish to sample some of the dishes in return for a donation of £1 per plate.

If you plan to bring something but are undecided what to make please complete the slip below anyway as soon as possible so we have some idea of quantities.

Please ensure your dish is labelled with a name and list of ingredients. Please label any plates or dishes so these can be returned to you.

Thank you for your time and support.

Yours sincerely

Mrs Khindey
