Dear Parent

Year 5 Learning Dome
Tuesday 28th January 2020

As part of the Year 5 Science curriculum, we have arranged for a Learning Dome experience to come into school on Tuesday 28th January 2020.

The Learning Dome is an inflatable dome for the children to sit inside with planned activities for the children to explore, observe and question the night sky and other related topics.

We are asking for a contribution of £4 per pupil towards the cost of this experience, and that payment and permission slips are returned to school no later than Monday 27th January. If we do not receive sufficient payments, we will have to cancel the activity.

Please complete and return the slip below along with £4. If paying by cheque, please make payable to **Chater Junior School** or let us know if you have paid electronically through the School Gateway.

Yours sincerely

Mrs K Olyett
